### **ROUND 2 – 22/10/11      *Johnson Park vs Lysterfield***

Johnson Park

Drew with

Lysterfield 10/156 (M. Ceravolo 2/13, B. Gale 2/18, M. Adams 2/16)

Winning the toss and bowling due to four of the boys being unavailable next week the Sharks got off to a good start with Captain Cody McDonald clean bowling one of their openers with only 9 runs on the board with good pressure from Azza 6 overs for 9 runs and new spin sensation Luke Saultry snaring another the beavers were Ritchie Benauded at 2 for 22. Some great bowling from Matty Ceravolo 2 for 13 Bailey Gale 2 for 18 and Mitch Adams who bowled seven great overs and is now regarded as one of our most accurate bowlers taking 2 for 16 and at 7 for 73 the Beavers were in trouble but some good batting from Bundy and Treloar and some very tuff wide calling on our little six foot wide pitch and the Beavers amassed a very competitive 156 which was disappointing with 52 Wides and No Balls destroying our early good work and something we will working hard on next week. Unfortunately due to heavy early rain the game was called off but with 4 boys missing it would have made it tough. But with 9 pts from 2 games a win against Upwey next game would set us up for a good season so lets train hard and keep improving like Mitch is doing. GO SHARKS

### **ROUND 1 – 08/10/11      *Johnson Park vs Knoxfield***

Johnson Park 4/89 (L. Saultry 23\*, B. Wright 14\*, B. Gale 14)

Defeated

Knoxfield 5/51 (L. Walter 2/4, L. Saultry 2/4, M. Adams 1/2)

First Game of the Year and we actually got to play!Knoxfield Won the Toss and they chose to Bat first.

At 0 for 19 off 8 overs in very slow conditions it was proving to be an inspired decision add to that 3 early catches going down our position was looking dubious despite some great outswing bowling from Bailey Gale. Enter Luke Saultry bowling his new found Leg spin his Control in the conditions was astounding taking 2 for 4 off 3 overs backed up by the Injured Liam Walter also taking 2 for 4 and a great diving caught and bowled set us alight along with Cody, Matt, Aaron, Simran and New Boy Daniel Crosbie we put the Screws on Knoxfield and Mitch Adams chipping in with 1 for 2 off 2 overs we managed to restrict the Knights to 5 for 51 off their 25 overs with not one boundary scored it showed that good tight bowling will bring most sides undone.

Azza scored the first four of the game before throwing his wicket away with 11 runs on the board.

This allowed Luke Saultry to the crease and along with Bailey Gale they put on 35 runs with Luke Scoring 23 Ret and Bailey 14 which proved to be the match winning partnership Cody and Liam F both lost their Wickets Cheaply Before some Lusty hitting at the end from Brayden Wright (14 not out) another new addition to the team along with Simran Hothi and Daniel and Nick Crosbie we welcome all these boys and their families to the Johnson Park Family and we hope to see these boys rise up through the ranks in the years to come. Anyhow the boys managed to get to 4 for 89 for a great Win and its always good to beat the Knoxfield boys next week we play the current top team in the Lysterfield Beavers GO SHARKS!!!!!!!!!!!!!!
